DRINK UP

You can't get a more festive spirit than a good smooth whisky. At The Gallery you can choose from 101 of them to make the warmest welcome to your Christmas party.

For the non-whisky lovers (apparently there are some out there) keep the selection open with more than 40 small batch beers in draft, bottles & cans to go with the wines and bubbles list, as well as our own cocktail menu of Gallery favourites. It's Christmas so if you want something a little extra special just let us know and the guys would be happy to bespoke you a cocktail or two for your night.

TUCK IN

Christmas parties at The Gallery are all about keeping it casual so the food is too. The sharing boards start from £18 and include Roast Turkey Yorkies and Baked Brie with Walnuts & Cranberry. There are vegan and gluten free options too. See page 6 for the full menu.

BRING YOUR FRIENDS

Take the semi-private basement bar for up to 80 people or have a smaller party of 25 on the mezzanine looking out over all the action. But if you're looking to spread out then The Gallery is perfect for fully exclusive parties of up to 180 people to take over the whole venue.

A FEW EXTRAS

Got to dance? There are DJ points on both floors so bring your own or we can help you to organise one. There's a screen in the basement for images or footage for your night and a screen on the ground floor for live viewings of sporting or other major events. A late license is in place throughout Christmas so your party can go to 2am on most nights at no extra cost.

USE US

Whether you're keeping it personal this christmas and looking to have a small do with family & friends or you're bringing your teams out to celebrate the end of a hard earned year, you are welcome at The Gallery. But we know that life still goes on around Christmas so we're still open to birthdays, weddings or just letting it all hang out because you can.

There's no hire fee at The Gallery, instead we work with a minimum spend which varies depending on when you want to come and how much of the venue you want to use. Rates range from £500 - £9,000
